

Holton raid lands four in jail

(KNZA)--Four arrests are made following the execution of a search warrant Saturday evening in Holton.

Jackson County Sheriff Tim Morse says it happened at an apartment, located at 511 New Jersey Street, following an investigation that began when his office received a report of an alleged battery at the residence.

Arrested at the scene were three Holton residents, 28-year-old Danny Ross, 27-year-old Stanley Morris Drinkard, 28-year-old Alexander Mercer-Jones, and one Mayetta resident, 37-year-old Crystal Bratcher.

Ross was arrested on charges including battery, possession of marijuana, possession of drug paraphernalia, possession of methamphetamine, and the use of a communication facility device in the commission of a felony drug violation.

Drinkard was arrested on charges including possession of marijuana, possession of drug paraphernalia, and possession of methamphetamine, the use of a communication facility device in the commission of a felony drug violation, possession of hydrocodone, distribution of methamphetamine within 1000 feet of a school, and possession of marijuana within 1000-feet of a school.

Mercer-Jones was arrested on charges including possession of marijuana and possession of drug paraphernalia, while Bratcher was taken into custody on charges including possession of marijuana, possession of drug paraphernalia, and possession of methamphetamine.

All four were booked into the Jackson County Jail.

The Kansas Highway Patrol assisted the Jackson County Sheriff's Office at the scene of the raid and arrests.
