Eplee plans Atchison Town Hall Saturday

(KAIR)--Clarifying the actions of the Kansas Legislature.

That's part of the reason behind a Town Hall Meeting in Atchison Saturday morning, hosted by Kansas Representative Dr. John Eplee.

The Kansas Republican says the three key issues he plans to address are school finance, taxes, and medicare expansion.

The Town Hall, sponsored by the Atchison Area Chamber of Commerce, is planned to run from 9 to 11:00 at the Santa Fe Depot, located at 200 South 10th Street, in Atchison.
