

Senator Moran plans three local stops Monday

(MSC News)--U.S. Senator Jerry Moran is coming to the local area, planning three stops Monday, as he brings his Kansas Listening Tour to northeast Kansas.

The Kansas Republican will first visit Pottawatomie County, stopping Monday morning in Onaga for a visit at the Community Hospital at 7:45.

From there, it's onto Brown County for a stop in the community of Everest where he'll meet with constituents at the Everest Cafe from 10 to 11.

The Senator will then travel to Atchison County, for a visit at the City of Atchison's Chamber of Commerce Office, located in the Santa Fe Depot, at 200 South 10th Street.

Moran will hold an open dialogue at that location from 11:30 until 12:30.

Area residents are encouraged to attend and share feedback with Moran on the critical issues facing Kansas and the nation:

According to a news release from Moran's office, the issues the Senator focuses on and the work he does in Washington D.C. are largely based on the conversations he has with Kansans during these town hall meetings.

Throughout his time in Congress, the release says Moran has made it a priority to stay connected to the people he represents despite a distance of more than 1,000 miles between Capital Hill and Kansas.

Since his election to the U.S Senate, Moran has continued to hold town halls in each of Kansas' 105 counties. Then-Congressman Moran traveled to each of the sixty-nine counties during his annual "Big First Listening Tour."
