

Ewing receives additional prison time

(KNZA)--A Holton man will have to serve additional time behind bars after a judge departs from a plea deal.

Jackson County District Judge Norbert Marek on Wednesday sentenced 23-year-old Jacob Ewing to a total of just over 7 ½ in prison for the attempted rape of a woman and sexual exploitation of a child related to images he had of an underage girl.

Ewing was sentenced in September to more than 27 years in prison for raping and sodomizing two other women.

The Topeka Capital Journal reports Ewing's attorney and the prosecutor had agreed the sentences could be served concurrently or at the same time but Marek departed from that agreement.

In April, a Jackson County jury acquitted Ewing of charges that he raped and sodomized a 13-year-old girl.
