

Skateboarder, dog, injured Saturday

(KAIR)--A Holton man and his dog both required treatment after being struck by a car, just east of Holton, on K-16 Highway.

According to Jackson County Sheriff Tim Morse, 22-year-old Sean Coop, of Holton, was riding a skateboard westbound in the center of the westbound lane of the highway, accompanied by his Dalmatian.

It was there that a westbound Chevy Impala, driven by 58-year-old Holton resident Dana Scheele, came over the hill in the roadway and struck Coop and his dog.

Coop was transported to a Topeka hospital by Jackson County EMS for the treatment of what Morse calls non-life-threatening injuries.

The dog was treated and then transported to a local veterinarian.

The accident, which occurred around 5:45 Saturday evening, remains under investigation.

Holton Police assisted.
