Wamego firefighter dies after fall

**WAMEGO, Kan. (AP) - Wamego fire officials say a firefighter died after a fall at a fire station.**

**The department said John Randle died Tuesday from injuries he suffered Monday.**

**Randle had returned to the station after helping to fight a structure fire early Monday. The department says in a release that he fell while he was returning a fire apparatus to service.**

**Randle was airlifted to a Topeka hospital, where he died on Tuesday.**

**Further details were not immediately released.**
