

Costly theft under investigation

(KAIR)--The costly theft of numerous geese decoys is under investigation by Atchison County authorities.

Atchison County Sheriff Jack Laurie tells MSC News an Easton resident reported the theft of nearly 4 dozen decoys, taken from the area of River Road and Woodson Road, in rural Atchison County. "It's not a really heavily traveled area...they had their decoys out in that field, had them out there for, obviously, quite a bit of time."

The theft is believed to have occurred sometime between January 1 and January 17.

According to Laurie, no suspect information has yet been developed.

Laurie says the value of the missing decoys is estimated at around \$1,600.

Anyone with information related to the theft is urged to contact the Atchison County Sheriff's Office with details.
