

Forgery crime sends man to jail

(KAIR)--A Holton traffic stop sends a Topeka man to jail, accused of committing forgery at a Holton business.

Jackson County Sheriff Tim Morse tells MSC News a vehicle was stopped for a traffic infraction in the 100 block of Holton's Arizona Street Friday night.

According to Morse, the Deputy who conducted the stop quickly learned that the passenger in the vehicle allegedly committed a forgery shortly before the stop.

It's alleged that 47-year-old William Randall Manrose made a purchase at the Holton Walmart using the identity of someone else, utilizing a fake driver's license to pass a forged check.

Manrose was arrested on charges of forgery and identity theft.

Following his arrest, Manrose was booked into the Jackson County Jail, but was released on bond Sunday.
