Two vehicle crash injures one

(KAIR)--Non-life threatening injuries are reported following a two vehicle Atchison crash late Tuesday morning.

Atchison Police Chief Mike Wilson tells MSC News it happened shortly before 11:30, at 7th Street and Harper Drive.

Wilson says it was there that a westbound car, driven by 54-year-old Brad Carter, of Atchison, was struck by a northbound van, driven by 65-year-old Marcia Walters, of Atchison.

Carter was transported from the scene by EMS, taken for hospitalized care.

Walters was cited for failure to yield.

Wilson says both she, and a child passenger, were unhurt.
