

Falls City police officer promoted

(KLZA)--The Falls City Council confirmed Mayor Jerry Oliver's recommendation to appoint Chuck Di Giacomo to the position of Sergeant with the Falls City Police Department Monday evening.

Di Giacomo has been with the Falls City Police Department since 2009 and served previously with the Altus, Oklahoma, Police Department. He will take the place of Sergeant Sean Nolte who has retired.

Also on the agenda was the Clow Fit lease agreement with the City for the former City Hall building. First Ward Councilman Mike Dougherty asked for the discussion to take place in closed session to protect the public interest and the prevention of needles injury to the reputation of an individual.

Following the closed session, the Council voted unanimously to continue the lease agreement.

The fitness center is now open in the former City Hall building.
