Easton man dies in Monday morning crash

(KAIR)--A Johnson County, Kansas crash claims the life of a Leavenworth County man.

The Kansas Highway Patrol reports that 60-year-old Christopher Fisher, of Easton, died as a result of the late Monday morning single-vehicle wreck.

According to the Patrol, Fisher was southbound on K-7 when he tried to enter the ramp to westbound K-10, in Olathe.

The Patrol reports Fisher's pickup truck entered the ramp too fast, causing him to lose control.

Fisher over-corrected, causing the truck to rollover.

The Patrol says Fisher was not buckled up at the time of the fatal crash, which happened shortly before 10:30 Monday morning.
