

Missouri RAC Meeting in Atchison

The Kansas Water Office's (KWO) Missouri Regional Advisory Committee (RAC) will meet to discuss current water issues affecting the region, as well as the state.

The meeting is scheduled for Tuesday, March 27, at 9 a.m., in the USD 409 Community Meeting Room, 626 Commercial in Atchison, Kansas. The committee will receive updates from numerous agencies on activities that are taking place in their Region. The RAC will also review the final State of the Resource document and discuss how the presentations at local annual Conservation District meetings were received.

The agenda and meeting materials will be available at www.kwo.org or you may request copies by calling (785) 296-3185 or toll-free at (888) KAN-WATER (526-9283).

If accommodations are needed for a person with disabilities, please notify the Kansas Water Office at 900 SW Jackson Street, Suite 404, Topeka, KS 66611-1249 or call (785) 296-3185 at least five working days prior to the meeting.
