

Pawnee City Council meets

(KLZA)--Pawnee City is in need of volunteers to serve on the City Zoning Commission.

Currently there are two vacancies on the board. Anyone interested in serving should contact City Hall.

During the Monday night City Council meeting, a Swimming Pool Manager and two Assistant Managers were hired for the upcoming season. Lisel Vetrovsky will be the Pool Manager and Sabre Menninga and Ann Cline will serve as Assistant Managers.

Council members also heard an update on the City Pool project. A majority of the work is done but some weather with temperatures consistently above 50-degrees is required to complete some of the final touches. Dirt work and re-seeding the area around the pool is also to be completed prior to the pool opening for the season in May.
