Planned Rainbow Communications outage

**(KNZA)--Rainbow Communications is informing customers of a planned phone and internet service outage.**

**The company says they will be performing a network upgrade from 11:59 Wednesday night ( April 4th) and into the early morning hours of Thursday, April 5th.**

**During that time, Rainbow's phone and internet services may be down for two to six hours.**

**The scheduled upgrade will affect the Rainbow service areas of Elwood, Fairview, Hiawatha, Highland, Horton, Sabetha, Seneca, Troy, and Wathena. Businesses on Rainbow fiber should be unaffected.**

**Those with questions or concerns about their Rainbow service, are asked to call 1-800-892-0163.**
