Atchison Night of Fun planned for Saturday

(KAIR)--A night of fun to keep hope alive for Atchison's youth.

That's the goal behind a special event planned for Saturday evening at Atchison's Memorial Hall.

With doors to open at 7:00, the Night of Fun will feature games, music, food, and a special speaker.

MSC Radio News Director Brian Hagen talked with organizers Mike Cline and Chuck Tilton about their goal for the free event.
