Pawnee Co bridge project set for June start

(KLZA)-- A bridge project is scheduled to begin Monday, June 4 on Nebraska Highway 65, south of Pawnee City.

The Nebraska Department of Transportation awarded the bid to Midwest Underground of Lincoln in an amount of \$989,300.

Work will include bridge replacement, culverts, grading, seeding and guardrails. A designated detour will be in place.

The project is anticipated to be completed by the end of this year.

Mike Habegger will serve as the Department of Transportation Project Manager.
