

Favorable comment given to Sunmart liquor license request

**( KLZA)--No one spoke against or in favor during a public hearing Monday evening on a request from Hinky Dinky, doing business as Sunmart, for a liquor license.**

**If approved by the Nebraska Liquor Commission, the Class 1-B license will allow the grocery store to sell beer, wine and distilled spirits.**

**In other action, the Council approved a bid of just over \$14-thousand to have About Quality Fence install additional fencing at the solid waste facility just north of the city limits.**
