\$1 million Powerball ticket sold in NE KS

(MSC News)-- Check your Powerball tickets from Wednesday night's drawing, you could be a big winner.

The Kansas Lottery says one ticket, sold in northeast Kansas, matched the first five numbers and is worth one million dollars.

The northeast region of Kansas includes twenty-one counties---including locally Atchison, Brown, Doniphan, Jackson, Jefferson, Leavenworth, Marshall, Nemaha and Pottawatomie.

The winning numbers in Wednesday night's Powerball drawing are 8-23-27-42-60 Powerball 7. The \$1 million ticket matched the first five numbers but not the Powerball.

No ticket matched all numbers in the drawing, so the jackpot for Saturday has rolled to an estimated \$314 million (\$179.4 million cash option).
