

Grenade found in dumpster

(Lincoln, Neb.) — Troopers with the Nebraska State Patrol Bomb Squad have safely disposed of a grenade found in a dumpster in Talmage.

The grenade was found in a dumpster Monday, as a home was being cleaned out. The resident of the home had passed away. Those who found the grenade contacted the Otoe County Sheriff's Office who contacted the NSP Bomb Squad for assistance.

NSP Hazardous Device Technicians safely removed the grenade from the area and destroyed it with a counter charge.

The NSP reminds Nebraska residents to call the authorities immediately if you ever find a grenade or other explosive device and never attempt to move it.

NSP has Hazardous Device Technicians stationed throughout the state to work with local authorities for this type of situation.
