Friday fire leaves family homeless

(KAIR)--An area family is left without a home following a Friday fire on the Kickapoo Reservation.

Donations are now being accepted for the family, with information about the effort saying the family of Jessica Masqua and Eric Smith lost all of their belongings in the house fire. The home is being called a total loss.

Along with Masqua and Smith, clothing items are also needed for four children, aged 3 months, 2, 1, and 8.

The donation information says toys, blankets, household items, bedding, and furniture are also needed.
