Sorghum Representatives Appointed To USDA Trade Committees

This week, U.S. Department of Agriculture Secretary Sonny Perdue and United States Trade Representative Robert Lighthizer appointed National Sorghum Producers member Dale Artho of Wildorado, Texas, to the Agricultural Policy Advisory Committee for Trade (APAC) and Patrick Wade, Texas Grain Sorghum policy specialist, to the Agricultural Technical Advisory Committees (ATAC) for trade. Both Artho and Wade are great representatives for Team Sorghum and National Sorghum Producers appreciates their continued efforts to ensure U.S. trade needs for sorghum and U.S. agriculture remain a priority.
