

Corpstein Named KLA Membership Recruiter Of The Month

Atchison County KLA Chairman Clint Corpstein of Atchison has been named recruiter of the month for September. Corpstein worked with county committeeman Mark Servaes of Atchison and Doniphan County Chair Jeremiah Harring of Leona to host a joint KLA county meeting in September. More than 100 producers and allied industry partners were in attendance, four of whom joined that evening. Corpstein will receive a \$50 Cabela's gift card for his recruitment efforts and be entered in a grand prize drawing from among all 12 monthly winners to be held at the KLA Convention, December 4-6 in Wichita. With 60 days left in the KLA Top Hand member recruitment contest, sponsored exclusively by John Deere, there is plenty of time for any member to earn prizes. The list of prizes can be seen at www.kla.org/membership/top-hand. In addition, the top recruiter of the year will receive a custom-made 20X felt hat from Greeley Hat Works.
