

LakeFest line-up finalized for 2020

**(KAIR)--Although the calendar says December, thoughts of summer are evoked as the line-up for Atchison's 2020 LakeFest country music concert is announced. Named as headliner for the July 17 concert at Atchison's Warnock Lake is country music duo LOCASH.**

**According to a press release issued Wednesday by LakeFest Coordinator Jacque Pregont, LOCASH, creates a sound that fuses modern country music with classic heartland rock and an edgy vocal blend.**

**Prior to LOCASH hitting the stage, newly crowned CMA New Artist of the Year Ashley McBryde will perform.**

**Named to open LakeFest 2020 is Atchison County native Erik Dylan. Dylan, a songwriter whose songs have been recorded by a who's who of country music stars, has served as the LakeFest opener in the past. According to the release, Dylan is a fifth generation Kansan who has shared stages with some of the biggest names in music, including Lynyrd Skynyrd.**

**LakeFest annually serves as the opening highlight of Atchison's Amelia Earhart Festival, held each July to honor Atchison's famous one-time resident. The famed aviator was born in Atchison where she lived for a portion of her younger years.**

**The festival, planned for July 17 and 18, will mark its 24th year.**

**Gift certificates for the concert are available for purchase at the Atchison Area Chamber of Commerce, located at 200 South 10th Street.**

**Beginning May 1, the \$25 certificates can be exchanged for tickets to the concert. Advanced tickets will begin to be sold on that date at the same price, but will increase to \$35 the day of the concert.**
