Local burn bans issued Thursday

(KAIR)--A burn ban has been issued for Doniphan County.

That word was delivered in a release issued Thursday morning by the Doniphan County Emergency Management Office.

According to the release, the burn ban will remain in place until further notice. It comes due to strong winds, and dry conditions, across the local area.

Due to those conditions, Brown County has also put a hold on all burning.

According to the Brown County Sheriff's Office, the moratorium was put in place "due to a very high fire danger."
