Atchison Co adds new virus cases

**(KAIR)--COVID-19 cases continue to rise in Atchison County.**

**On Monday, 3 additional confirmed positive cases were reported, bringing the county's total to 34.**

**According to a release from Atchison County Emergency Management Director Wes Lanter, the 32nd case is a man in his forties, the 33rd case is a man in his seventies, and the 34th case is a woman in her eighties.**

**The cases are listed as community spread.**

**According to Lanter, the county currently has three patients that have been hospitalized.**

**Figures released Monday by the Kansas Department of Health and Environment show the state has had 14,443 cases in 97 of the state's 105 counties. 270 have died.**
