Jackson Co reports second virus-related death

(KNZA)--Jackson County is reporting its second COVID-19-related death.

The Jackson County Health Department on Monday said the individual was 65 or older.

The Department said they would not be releasing any further information at this time.

On Monday, the department reported only six active cases in the county, with no hospitalizations.

The county has seen a total of 223 positive cases since the pandemic began.
