

Three arrested after search of Falls City home

(KLZA)--Three people were arrested on drug charges following a probation search at a Falls City home on Thursday.

The Falls City Police Department with the assistance of the Richardson County Sheriff's Office, Brown County, Kansas K-9 Unit and Federal Probation Officers discovered methamphetamine, marijuana and drug paraphernalia in the house at 1624 Abbott Street.

According to a report from the Richardson County Sheriff's Department, 39-year-old Anna Debolt and 35-year-old John Pohlman, both of Falls City were arrested for possession of a controlled substance and possession with intent to deliver.

22-year-old Josie Lunsford of Falls City was arrested on a charge of possession of a controlled substance.

All three were booked into the Richardson County Jail.

Pohlman is a convicted felon who is currently on probation. In October, 2019, during a probation check he was arrested when authorities discovered marijuana and a folding knife with a blade exceeding three-and-a-half inches in his home.

That case is still pending in Richardson County District Court.
