

Two longtime ACCHS educators to be honored

(KAIR)--Two longtime educators at Atchison County Community High School will be honored this weekend.

Atchison County Junior/Senior High School Principal Deanna Scherer tells MSC News formal vocal instructor Eileen Wohletz, and former band teacher Paul Lundgren, will be formally inducted into the school's "Wall of Fame", during a special ceremony.

"It's a tremendous honor and recognition, and so we definitely want to have people come out, but we will move them through. We will have a very brief soundmaster presentation and a very brief band presentation just to honor these individuals."

The ceremony and open house will be at 2 o'clock on Sunday afternoon in the ACCHS Commons area.

Both Wohletz and Lundgren taught in the school district for several decades, often working together in directing school musicals.

In a press release, Wohletz and Lundgren listed one of their greatest accomplishments as being able to teach students who went on to become music educators themselves.
