

Brown Co moving to Phase 2 COVID-19 vaccinations

(KNZA)--Brown County is moving into the 2nd phase of COVID-19 vaccinations.

The Brown County Health Department, in a release posted on their Facebook page, said that the county has received a very limited amount of vaccine at this time.

The Health Department in conjunction with the Hiawatha Community Hospital and Brown County Emergency Management are collecting names for Phase 2. They will then prioritize the list by age and contact each individual to schedule an appointment.

Those eligible to receive the vaccine in Phase 2 include those age 65 and older and high contact critical workers such as first responders and teachers.

To help identify those wanting a vaccine, your ask to complete an online survey.

You can find the survey

at: <https://www.surveymonkey.com/r/G59GSKX?fbclid=IwAR16EDbvTtCYBha1jkam7qL1Lb7OBZqfluLZbUFjm6PHaHfZyLcUXpj8AHs>

For those unable to fill out the form online, you can call or email the following:

Email vaccine@hch-ks.org your name,date of birth,telephone number,city of residence,occupation,and ability to text.

Call 785-742-6462 and provide information requested.
