Richardson Co road plan approved

(KLZA)-- Following the annual public hearing on the proposed 1 & 6 Year Road Plan Tuesday, Richardson County Commissioners adopted the plan as presented.

Only one person was present from the public for the hearing. The One-Year Plan for 2021 includes a \$1.5-million asphalt overlay project from the City limits of Rulo to the Nemaha Bridge south of Rulo.

The estimated cost of the projects on the One-Year Plan is \$2,290,000.

The entire plan calls for the expenditure of \$11,554,000 on 25 projects in Richardson County.

The Airport Road and Bridge project on the northeast edge of Falls City remains on the Six-Year Plan with an estimated cost of \$2-million.
