

Minor injury in I-29 wreck

(KLZA)-- A North Kansas City, Missouri man was hospitalized with what were described as minor injuries in a single-vehicle wreck on Interstate 29 in Holt County, Missouri Monday afternoon.

The Missouri Highway Patrol reports 25-year-old Daniel Gandara was southbound on the interstate approximately five miles south of Mound City when his Chevy Suburban traveled off the east side of the road, into the median, returned to the road, then traveled off the west side of the road, becoming airborne landing on a southbound entrance ramp then traveling up an embankment and striking a tree.

Gandara was transported by the Atchison-Holt EMS to the MOSAIC Hospital in St. Joseph.

The Holt County Sheriff's Office assisted at the scene of the wreck.
