Pawnee City sales tax renewal to be on ballot

(KLZA)-- The Pawnee City Council has approved resolutions that will be voted on by Pawnee City residents during the May 14, Primary election.

The first resolution, #4 will determine if the city continues to collect a sales and use tax in an amount of two percent.

Resolution #5 will determine what the sales tax monies would be used for, if approved by voters. The resolution proposes putting a portion of the sales tax funds toward an economic development program.

Pawnee City has collected a 2 percent sales tax within the city since 2016. One half cent of the tax has been used to pay for street improvement projects.
