

Annual Falls City animal clinic scheduled

(KLZA)-- The Falls City Police Department and Animal Health Center will host the annual animal clinic on Thursday, May 16 from 6 - 7 p.m. at the Animal Health Center at 1505 East 14th Street.

The clinic offers pet owners an opportunity to get their pets licensed and vaccinated at the same time.

Animal Health Center staff will administer vaccinations and the Police Department will issue animal licenses.

City ordinance requires the licensing of all dogs and cats within the city limits that are six month of age or older. The licenses expire in May of each year.

Owners must present a current rabies vaccination certificate to license their pet. Spayed and neutered pet licenses are \$11; unneutered or unspayed pets are \$21. In addition, there is an additional \$10 fee for delinquent license.

Pet licenses and vaccines must be paid for separately.

If you have questions you may call the Falls City Police Department at 402-245-4422.
