Kent Emerald Rogers, 72, Manhattan, died peacefully in Topeka after multiple health issues and a short bout with cancer on Thursday, August 3, 2017.

Kent and Sondra (Gleason), wed nearly 50 years ago on September 3, 1967, at the Seneca United Methodist Church. They have three sons, Randall, Kirby, and Eric Rogers.

Throughout Kent's life his passions revolved around education, athletics and family. He began his teaching and coaching career at Rossville, KS. Then during his six years at Nemaha Valley High School, Seneca, Kent taught math and coached football. In 1973, the Atchison Globe named him Coach of the Year. A year later, Rogers was head coach for the Jaycee All-Star Football game and an assistant coach in the KS Shrine Bowl. In 1975, he served as head coach at the KS Shrine Bowl.

Shortly thereafter, the Rogers family moved to Hesston, KS where Kent taught high school math and coached football and track. In 2003, Kent was named to the Bethel College Athletic Hall of Fame.

Rock Creek Middle/High School was Kent's next stop, transferring his responsibilities to that of Assistant Principal and Athletic Director in 1995. Six years later, Rogers was named the KIAAA Middle School AD of the Year. After 13 years at Rock Creek, and 40 years in education, he decided to retire only to pick it up again working part-time at Manhattan Eisenhower MS then taking the part-time AD position at Wamego MS. Through the years, he

was an active member of KSHSAA, basketball official and track starter. In 2008, Kent was awarded the NIAAA State Award of Merit for his distinguished work in leadership and athletic administration.

Throughout his life, Kent's heart was in pushing his students, athletes and his own sons to do their very best in all they pursue. He found great pleasure in seeing the young people he mentored succeed in order to in turn make an impact on the world around them. Kent was a man of few words but when he did speak, it was direct and to the point. He cared deeply for his family and friends and was quietly generous.
