Radio Station Hosts Tiger Cubs

Around 15 first-grade aged Tiger Cubs of Cub Scout Pack 77, based in Sabetha, visited the home offices of KNZA/KMZA Thursday evening.

During their time at the station, the Tiger Cubs got to see, first hand, the operations of the radio station, although several of the Cubs wondered if there would be a screening of the "Batman" movie.

Parents were also on hand for the tour, with the Pack overseen by Den Leader Alex Dawdy.
