### Mound City School Board Hears Project Updates

The Mound City School Board discussed the annual facilities and safety needs assessment when they met last week.

Superintendent Ken Eaton talks about a couple of summer projects at the Holt County, school. ( play audio :31 seconds )

The weight room project gained legs over the winter and will be a reality in large part due to donations. Superintendent Eaton talked about the location for the new weight room. ( play audio :31 seconds )

The Mound City Superintendent said the creative fund-raising efforts will help keep district costs for the facility to a minimum. ( play audio :25 seconds )
