Large Crowd Expected for BC Commencement

Benedictine College will hold their 41st Commencement Exercises Saturday morning at 10 at the Ralph Nolan Gymnasium.

There will be 325 graduate and undergraduate students making the walk.

Benedictine College Media Relations Director Steve Johnson says while it's not the largest class graduated, it's one of the larger ones.

He says the gymnasium is expected to be jam-packed, but the ceremony will be simulcast in the air conditioned O'Malley-McCallister Auditorium.

The ceremony will also be available online Saturday.

The college will stream the ceremony through its sports network provider, UstreamTV.

The stream will go live just prior to the start of the activities.
