Special Meeting for Easton City Council

Water and Fireworks will be the main topics of a special meeting of the Easton City Council Tuesday evening.

It will take place at six at city hall.

The AdEdge representative relating to the preliminary proposal on the water infiltration system will meet with the council.

They will also discuss the broken fire hydrant at 3rd & Kickapoo and the annual water use report.

They will look to determine details for the July 4th parade and hire a fireworks vendor as well.
