City Crews Look to Start River Rd Project

Atchison City Commissioners will look to approve renovations to River Road along the Atchison Riverfront.

Public Works Director Gary Heer will seek approval of the up to 50 thousand dollar haydite and chip and seal project Monday afternoon at 4:30 at Atchison City Hall.

The Commission will also look to approve architectural services for the Atchison Heritage Conference Center.

They will also hear the results of the Harper and Arrowhead Drive intersection study.
