Johnson Brock School Board to Meet Monday Evening

The Johnson-Brock School Board will meet at 8:00 p.m. Monday in the Superintendent's office.

Action items for the board include approval of the second and final reading of three policy revisions, and the first reading of another revised policy pertaining to attendance and excessive absenteeism.

The board will consider changes as well to the faculty and student handbooks; will set the breakfast and lunch prices for the next year; and will vote on approval of a contract for the summer music program.

Superintendent Jeff Koehler will present information to the board on proposed H-VAC system upgrades from Trane, and information on a handicap accessible vehicle.

Board members will then vote whether to proceed with the H-VAC system upgrades, replacement of the front windows, and whether to authorize Koehler purchase a handicap-accessible vehicle when the vehicle becomes available.
