New Wetmore Principal Officially Hired

A new principal has officially been hired for the Wetmore Academic Center.

During a special meeting Thursday afternoon, The Prairie Hills USD 113 board of education approved a contract with Janelle Boden for the 2012-2013 school year at a salary of \$60,572.

Boden has been a special education teacher at Wetmore the last 17 years.

She will replace David Schmitz who is retiring after serving as principal the past 5 years.

In other business, the board accepted a bid from Haug Communications of Seneca for a new mobile radio communication system in district buses.

The total bid is \$75,119 for the equipment, installation and programming.

The board also approved an agreement with the Kansas Department of Transportation for use of their towers and licensing.
