USD 339 Agree to Staff Contracts

(KAIR) -- USD 339 teachers have reached a deal with the school board for their annual staff contracts.

The board passed the agreement at Monday evening's organizational meeting.

Superintendent Denise Jennings said the agreement gives a 400 dollar base increase, or two point two percent across the board.

Ron Langston and Sharon Porter were also re-elected at President and Vice-President of the board, respectively.
