#### Two More Candidates File for Office in Richardson County

(KTNC) - Two more candidates have filed to run for Village Board seats this fall in Richardson County.

Adam Stanley filed Friday to seek a position on the Stella Village Board. Mary Jane Wessel filed Monday to seek a position on the Village Board in Salem.

Monday was the deadline for current officeholders to file to run for non-partisan offices – including village boards, weed control boards, and Education Service Units – in the November general election. The deadline for non-incumbents to file for those offices is August 1st.
