NE KS Field Day Set For Wednesday

(KNZA)--An annual tradition continues this week, as the Northeast Kansas Field Day will be held Wednesday, starting in the morning.

It will be held on the property of Brown County farmer Keith Olsen, who says the public is welcome(Play Audio)

Olsen says guest speakers will also be featured during the field day(Play Audio)

The Northeast Kansas Field Day begins at 10:30 Wednesday morning at the plot located on 140th Road, west of U.S. Highway 73.

The event is sponsored by Brown County Extension, Olsen Farms, and the participating seed companies.

More information can be gained by calling Olsen at 785-741-0208 or Brown County Extension Agent Matt Young at 785-742-7871.
