USD 409 Moves Forward with Bond Decisions

(KAIR) -- After last month's general election passage of the USD 409 bond issue, the school board was ready to move forward Monday night.

Superintendent Susan Myers says the board voted to sell part of the bond now.

Myers says the projects at the middle and high schools are expected to be complete in December 2013.

The board also appointed Doctor John Eplee, Carrie Sowers and Rick Zumbrunn with Herb Gwaltney as an alternate to a committee that determines the design of the materials, such as cabinets and floor tiles.
