Public Meetings Set for JCN Bond Issue Proposal

(KAIR) -- Two educational public meetings have been set by the USD 339 school district to discuss their upcoming bond proposal being presented to voters April 2nd.

The first will be Tuesday evening at seven at the Elementary/Middle School in Nortonville.

The second will be at seven, the evening of March 26th at Jefferson County North High School in Winchester.

The two-point five million dollar bond proposal would cover renovations in the high school and the school's track and field area.
