Easton City Council to Learn about 2013 KDOT Projects

(KAIR) -- The Easton City Council Monday evening will learn how they will be affected by 2013 KDOT construction projects.

The county overview, as well as a presentation of KLINK resurfacing information will take place at 6:30 at city hall.

The council will also get an update on the city's water treatment replacement project from Jack Kramer, as well as hear public comment on a location for a tornado shelter.
