Highway Closure Tuesday in Doniphan Co

(KNZA)--Northbound and southbound K-7 Highway in Doniphan County will be closed from the north city limits of White Cloud to the Kansas/Nebraska border on Tuesday for pavement resurfacing work, weather permitting.

KDOT says the closure is needed as part of the resurfacing project taking place on K-7 and K-9 in Atchison and Doniphan Counties.

Advance message boards will alert drivers to the roadway closure. No marked detour will be provided.

Drivers must use alternate routes during the roadway closure.
