January 15th Deadline for FSA Fall Crop Registration

(KLZA) -- The Farm Service Agency in Richardson County would like to remind producers of an important deadline.

The deadline to certify fall-seeded crops and native and/or improved grasses intended for grazing or haying in 2014 was November 15, 2013. The late-file fee has been waived until January 15, 2014. After January 15th a late-file fee will be incurred for each farm that was not certified by the deadline.

Please stop into the Richardson County FSA Office to certify by January 15.
