Kansas Man Injured in Crash near Craig

(KTNC) --An Olathe man was injured when he lost control of his car on Interstate-29 near Craig, Missouri Saturday afternoon.

The Missouri State Highway Patrol reports that 60-year-old Sisay Frew was driving a 1998 Volvo convertible northbound on I-29 when the car went off the east side of the road about a mile south of Craig shortly after 4:30.

After leaving the roadway, the car struck the emergency crossover embankment and went airborne, overturning onto its side in the northbound passing lane.

Frew, who was wearing a seat belt, was taken by ambulance to the Heartland Regional Medical Center in St. Joseph with what were described as moderate injuries.
